

Backgrounder

Jarrard, Nowell & Russell, LLC, is a certified public accounting and business advisory firm based in Charleston, SC, utilizing significant experience in corporate financial management and public accounting to serve clients in the Lowcountry and throughout South Carolina. Drawing on extensive, executive level financial management experience with international Fortune 500 corporations, the firm counsels business and individual clients with a comprehensive and strategic approach, placing emphasis on long-range financial goals and business planning.

Originally formed in 1978, Jarrard, Nowell & Russell was under the leadership of Joe deBrux until 2005 when Bill Jarrard, Chris Nowell, and Will Russell joined the firm and expanded its scope of services. After gaining extensive experience in corporate financial management and public accounting, Jarrard, Nowell and Russell sought an opportunity to form a public accounting and business advisory firm and joined deBrux & Associates. Today, Jarrard, Nowell and Russell are the principals in the firm, and the firm has been renamed to reflect the new leadership. Joe deBrux continues as counsel.

With a foundation in corporate financial management and public accounting, the principals in the firm, joined by staff CPAs and accountants, look beyond traditional accounting roles and work in partnership with clients to analyze, develop and implement strategies to achieve specific objectives. The firm serves business and individual clients with a comprehensive approach to financial management, offering a broad range of services that include traditional auditing and tax services, business advisory services, 1031 tax-free exchange services, business modeling and valuations, captive insurance consultation and auditing, and wealth management.

The firm serves clients representing diverse business sectors including industry, general and mechanical contractors, real estate developers and agencies, professional service firms, non-profits, retail, restaurants, distribution and logistics firms.
